

# How to order your child's photos:

## Step 1

Find your child's gallery passcode (sent via email) - If you can't find this email (in your inbox or spam folder), then send us a message.

## Step 2

Visit this page and enter your passcode:  
<https://240316061342.proofingphotos.com/>

Log In or Create an Account

In order on view these galleries, you will need to be logged in to your account.

Already have an account?      Need to create an account?

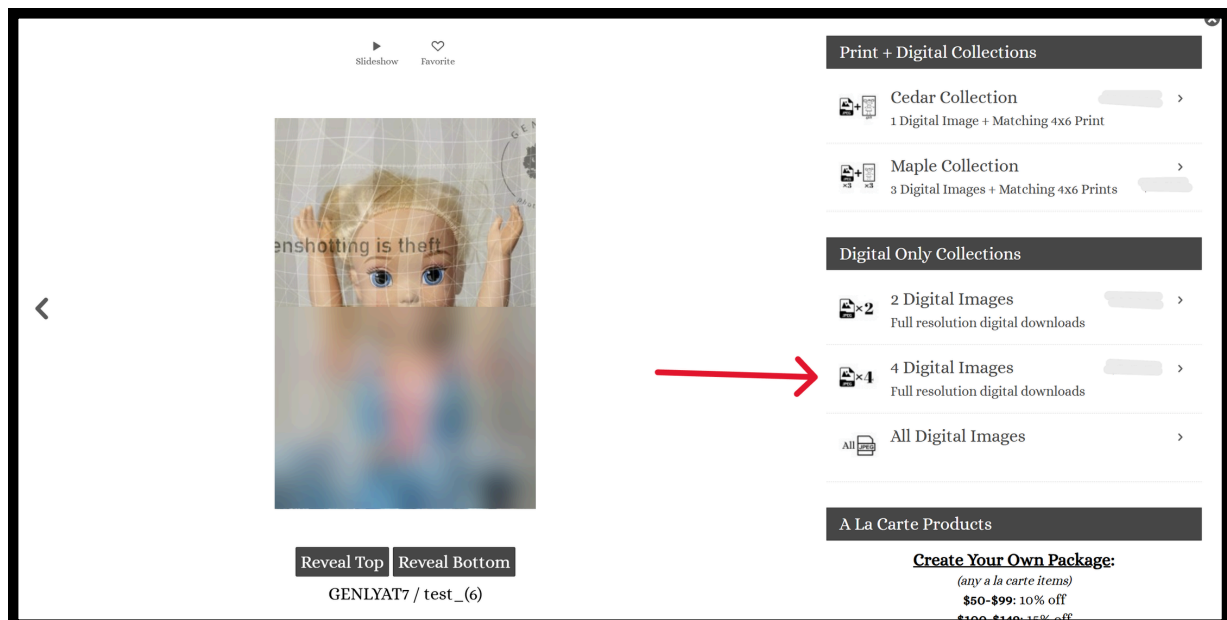

## Step 4

Scroll through your child's gallery and enlarge a photo that you'd like to order.

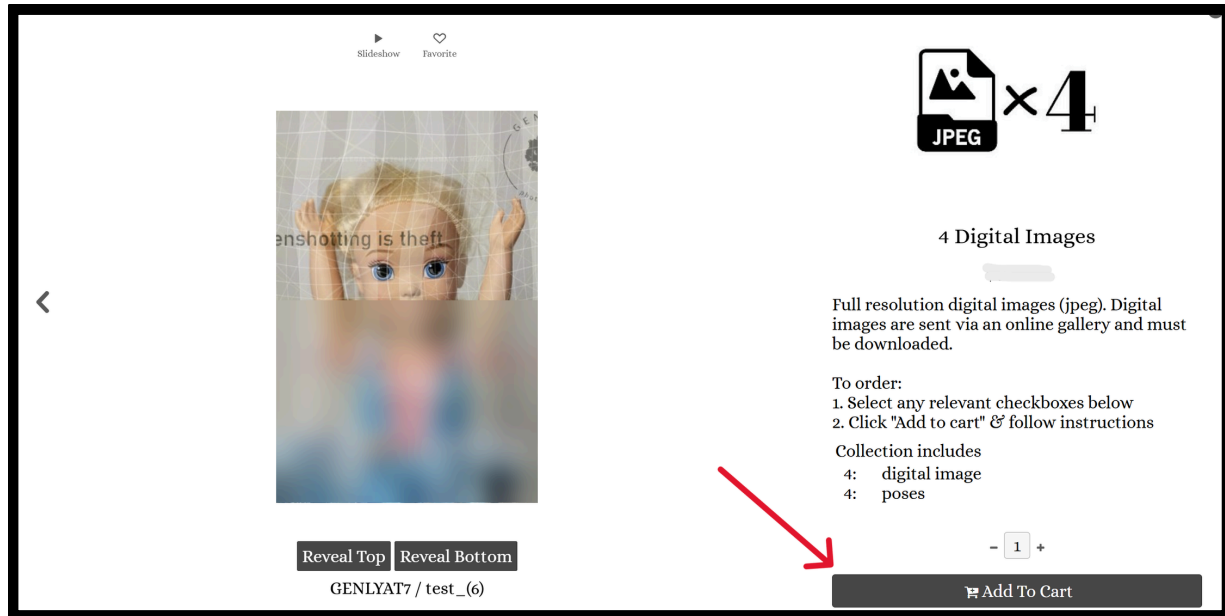

## Step 5

When a photo is enlarged, the product and package options will appear. Click on a package or product to see more information.

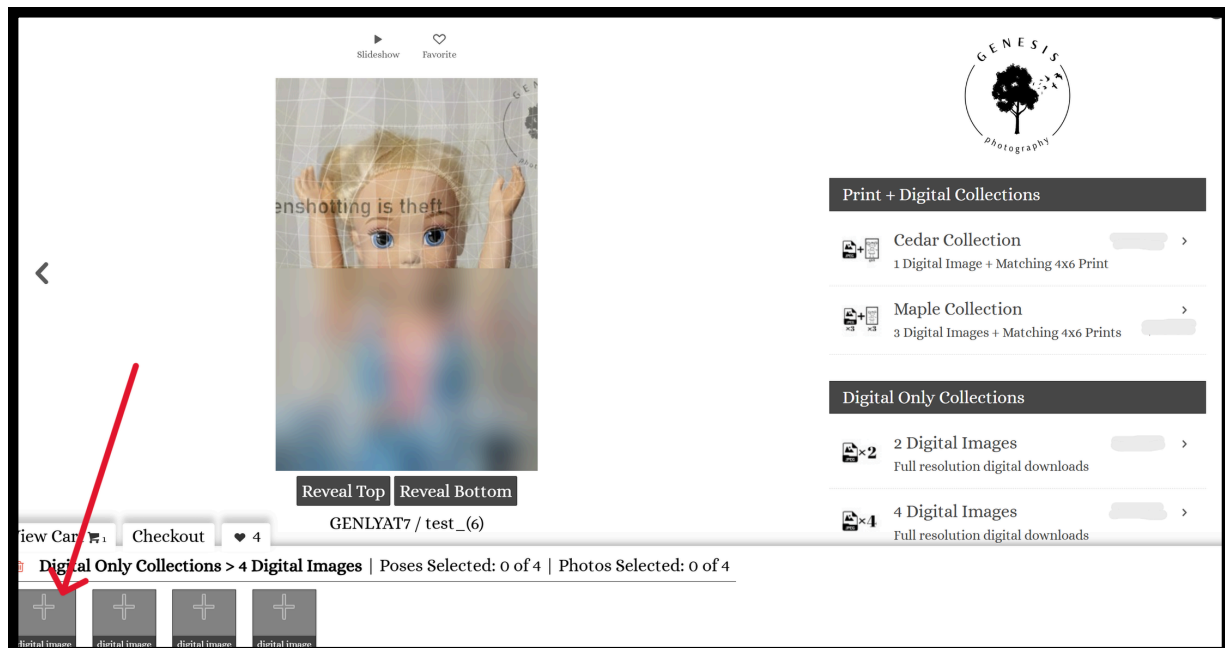

## Step 6

Scroll down, check any relevant boxes and click "Add to Cart".

## Step 7

If you chose a package, follow any instructions to add the images you want to your package. Optional add-ons may pop up as you choose your images.

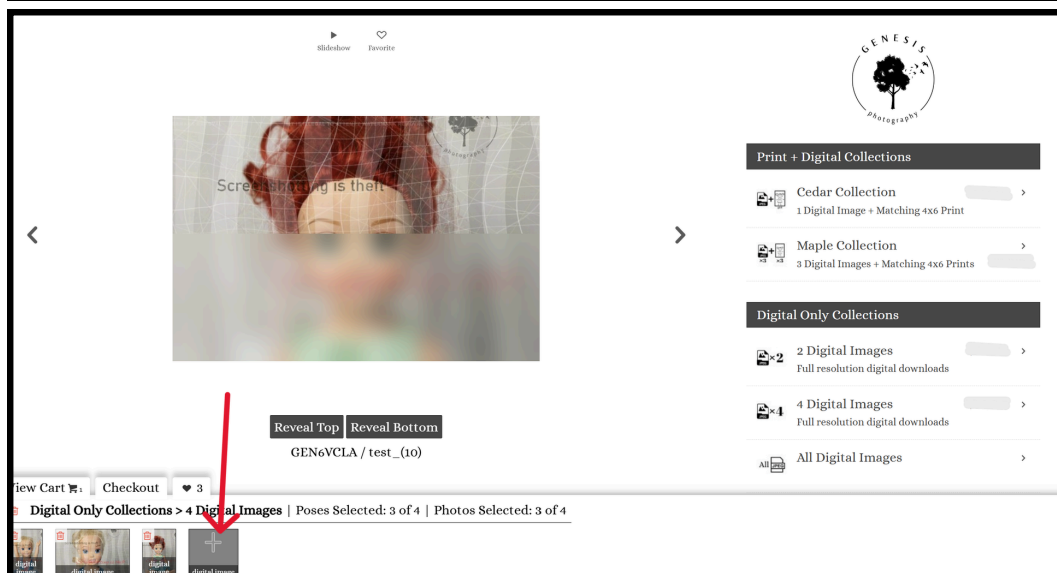

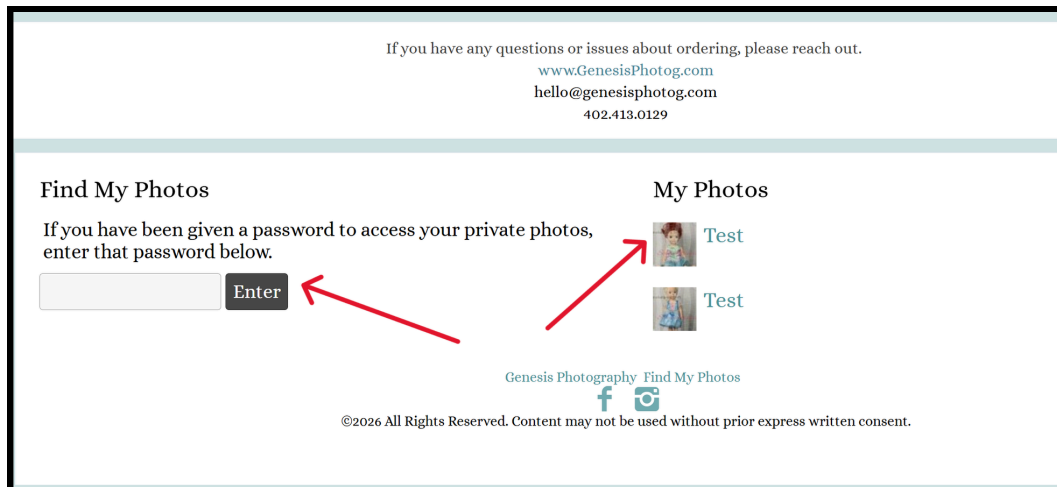

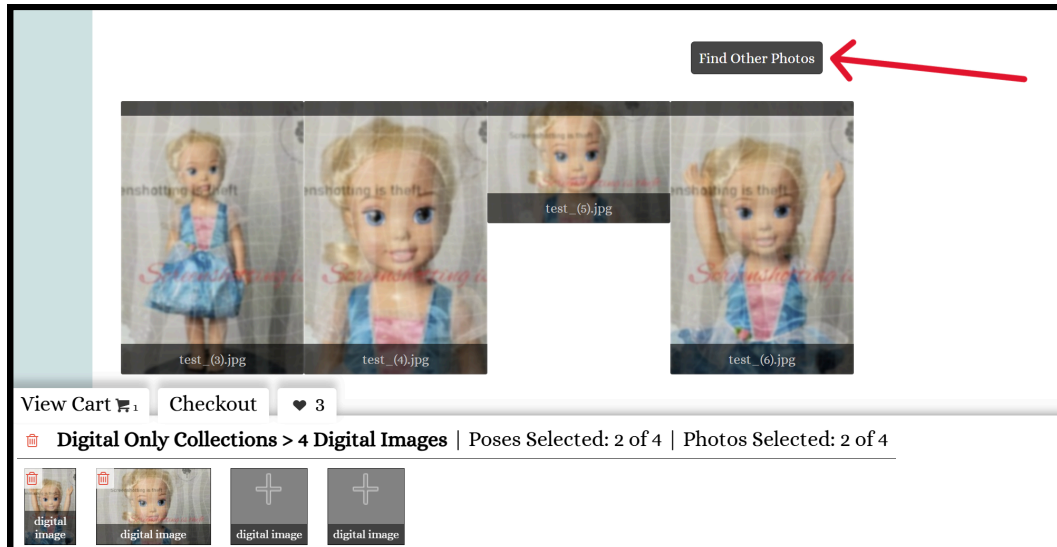

## **\*\*For parents with multiple children\*\***

*(Skip to Step 8 if this doesn't apply)*

If you'd like to combine images from multiple children into one package/order, go back to the gallery page and select the button "Find Other Photos".

To open the next gallery, enter the passcode or click on the gallery icon.

Continue adding images to your order from the second gallery.

## Step 8

Once all items are added to your cart, review them in the “My Cart” tab and then checkout to finish your purchase.
